

OUR LOCAL PRODUCE

Good afternoon and a very warm welcome to The Executive Boxes at The American Express Community Stadium

We are proud to call Sussex our home, the county gives access to an incredible range of sustainable produce right on our doorstep.

We use more than 10 local suppliers for the food we will preparing today, ranging from bakeries, butchers and smoker's, some of which are mentioned below.

If you have any questions about the menu, or if you would like more information on any of our suppliers, please do not hesitate to speak to one of my colleagues. I hope you enjoy your meal and, of course, the game!
